

## BEST-IN-CLASS VIRTUAL HEALTHCARE

### Discover How Employers Just Like You Are Attracting & Keeping Great Employees By Having This New Innovative & Affordable Benefit.

Want to provide healthcare benefits to your employees but can't afford it?  
Too much turnover within your hourly or part-time workforce?  
Looking for ways to improve employee satisfaction?

### National Telemed Business Solutions can help!

National Telemed Business Solutions offers a true Comprehensive benefit at a low monthly cost with no out of pocket costs for your employees and their families

We can help you if you:

- Don't offer health benefits to any employees
- Have part-time employees or contractors who are not eligible for health benefits
- Offer high-deductible healthcare plans
- Are located in remote or rural areas and lack easy access to healthcare
- Offer insurance that does not include telehealth
